**This section is designed to provide you with comprehensive information regarding our eligibility and employment requirements and medical guidelines.**

## **Save Age**

Premium will be based on the applicant's age at the time of the application is signed. If the applicant's date of birth is within 30 days of the application signing date, premium will be based on the younger age. Save age will not be available for applicants over the age of 61.

## **Social Security Number**

Applicants are considered for insurance by providing a valid Social Security number issued by the United States Social Security Administration.

## **Citizenship/Residency Requirements**

United States citizens permanently residing within the United States or its territories.

Foreign Nationals who have 12 months of continuous residency and employment in the United States or territories and currently hold one of the following visa types:

- Permanent Resident Visa card (Green Card)
- H1B - Physicians, specialty occupations in fields requiring highly specialized knowledge
- J - Professor, scholar, teacher
- L - Intra-company transfers
- O - Extraordinary ability in sciences, arts, education or business

## **Foreign Travel**

Applicants who travel to foreign countries less than 90 days per year are generally considered. For those traveling more than 90 days per year, individual consideration will be given and, if approved, a foreign travel exclusion rider will be added to their policy. Those who travel to areas with political unrest, poor economic conditions, lack of modern living standards or modern medical facilities, are ineligible for disability income insurance coverage. Applicants who are working outside of the United States are ineligible for disability income insurance coverage.

## **Benefit Combinations**

Applicants may apply for combinations of Elimination Periods and Benefit Periods using multiple accident and sickness or accident only policies.

## **Tobacco Use**

Individuals who have used tobacco products within 12 months of application completion or those with positive nicotine (cotinine) urinalysis test results require tobacco rates. Tobacco products include cigarettes, cigars, pipes, chewing tobacco, nicotine gum, patches and e-cigarettes/vapor. Tobacco rates are 35% higher than nontobacco rates.

Tobacco users who stop using tobacco products for 12 consecutive months may qualify for a rate reduction. A nontobacco questionnaire and urinalysis will be required.

## **Pre-existing condition means:**

- for which medical advice, diagnosis, care, or treatment was recommended, prescribed by or received from a physician within a two-year period prior to the policy effective date; or
- for which symptoms existed that would cause an ordinarily prudent person to seek diagnosis, care, or treatment provided or prescribed by a physician within a one-year period prior to the policy effective date.

A pre-existing condition does not include a condition that was disclosed on your application and not excluded from coverage by name or specific description as of the date of loss.

## **Hazardous Avocations**

Persons who engage in hazardous avocations may be eligible for disability income coverage. Avocations such as:

- Automobile/motorcycle/boat racing
- Hang gliding
- Skydiving/parachuting
- Scuba diving
- Rock climbing

Similar activities should be identified during the application process.

Typically, an amendment rider excluding the avocation will be attached to the policy if the application is approved.

## Build Chart

The build chart used for disability income insurance categorizes applicants into different risk classes.

Use the Build Chart by first finding the applicant's height in the left-hand column and then looking across the row to find the applicant's weight in pounds. The column heading above their weight will determine their appropriate risk class.

Height	Weight						Decline

If the applicant has lost weight, it must be kept off for 12 months or half of the weight lost within the last 12 months will be added to the total weight.

## **Scheduling Examinations**

After the application is completed, please schedule all required examinations with approved paramedical examination facilities. Paramedical facilities complete blood profile and urinalysis.

## **Paramedical Facilities**

Mutual of Omaha's approved paramedical facilities have blood kits and the expertise to complete our blood profile requirements. All blood specimens must be drawn using Portamedic or APPS blood kits and mailing instructions. One of these paramedical facilities must be used when a blood profile is required or requested. All specimens are sent to the Clinical Reference Laboratory (CRL) for testing.

- **Portamedic:** 1-800-765-1010
- **American Para Professional Systems (APPS):** 1-800-635-1677
- **ExamOne:** 1-877-933-9261

## **Blood Profile, Urinalysis and HIV Consent**

Mutual of Omaha may require a blood profile or urinalysis. See the Underwriting Requirements Chart for specific guidelines. Laboratory tests may be requested for lesser amounts. An HIV consent form may be required in some states; consent forms will be included in the application packet.

## **Attending Physician's Statement (APS)/Medical Records**

In order to render the most favorable decision possible, an APS may be required. The home office will initiate the request by contacting the doctor's office or medical facility in advance to confirm the availability of the medical records, cost and requirements for release. The home office will advise you of our request and periodically follow-up with the medical facility. Timely release of the requested APS depends on the quality of the contact information and the degree of cooperation afforded by the medical facility. The agent and applicant can play a crucial role in securing the APS by contacting the medical facility to reiterate the urgency and significance of obtaining the necessary information.

## Definitions

### Salary

Salary (wage) is defined as compensation received by an employee for services performed. A salary is a fixed sum paid for a specific period of time worked, such as weekly or monthly. (Federal Tax Form W-2)

### Earned Income

Earned income is income earned from employment, which would include wages, salary, tips, bonuses, overtime and other compensation. Earned income is reported on a gross, or before-tax basis. Significant changes or fluctuation in earned income may require clarification to determine the benefit amount.

### Unearned Income

Unearned income will reduce the benefit amount available to the client only to the extent that it exceeds:

- 10 percent of earned income or
- \$30,000 annually, whichever is less.

Examples of unearned income: capital gains, interest, net rentals, pension benefits, passive dividends, income from family trusts, alimony and royalties.

Fifty percent (50%) of the monthly unearned income in excess of the parameters listed will be deducted from the maximum total benefit available to the client.

**Example:** Annual income \$100,000 Unearned annual income \$19,200

Unearned income is greater than 10% of earned income.

$$\$19,200 \times 50\% = \$9,600$$

Divide by 12 = \$800 Monthly Unearned Income

$$\begin{aligned} \$100,000 \text{ Income} &= \$5,100 \text{ Monthly Benefit} - \$800 \text{ Monthly Unearned} = \\ &= \$4,300 \text{ Monthly Benefit Allowed} \end{aligned}$$

### Overtime Income

Overtime income is defined as stable income received for working in excess of a 40-hour work week. Overtime income can be included when calculating monthly benefit amount eligibility.

## Part-Time Income

Part-time income can be included in determining your client's total eligible income earned. To qualify as eligible income, applicant must be employed on a full-time basis (minimum 30 hours) in another occupation. Clients can also have two part-time occupations of the same duties that their hours are equal to or greater than 30 hours per week and be consider full-time employment.

## Self-Employed

Self-employed is defined as an applicant who is operating as a sole proprietor, independent contractor, partnership or closely held corporation and has 20% or more ownership in a business.

## Net Worth

Net Worth is defined as the value of a person's assets, including cash, minus all liabilities. The amount by which the individual's assets exceed their liabilities is considered the net worth of that person. In order to determine net worth for underwriting purposes, the primary personal residence and personal belongings may be ignored. Individuals with a net worth of \$5+million require a prescreen with a disability underwriter prior to running a quote or taking an application. Individuals with a net worth of \$10+million are generally not eligible for Disability Income Insurance.

## Bankruptcy

No coverage can be offered until two years after an applicant's bankruptcy discharge.

## Depreciation

Depreciation can not be added back into net income to produce higher earnings.

## Income Documentation Requirements

### *Accident & Sickness and Accident Only*

Total Monthly Benefit Amount	
Up to \$6,000	\$6,001+
N/A	Non-Owner Employee: 1 year Filed Tax Return/W-2**
	Owner/Self Employed: 2 Year Filed Personal/ Business Tax Returns

\*Self Employed Discount requires most recent filed 2 years personal/business tax returns

\*\*If with employer less than 1 year, most recent 2 consecutive pay stubs required

Financials may be asked for at Underwriting discretion

Financials required can include other forms as determined by Underwriting

NOTE: Net Income (income less business expenses prior to taxes) is used for self employed individuals.

Gross Income is used for Non-Owner Employees

## Income Qualification Table

The income qualification table shows the maximum benefit amounts available for a given income level for Accident Only & Accident and Sickness policy forms.

Applicants in an occupational class 6A, 5A, 4A, 3A and 5M, 4M, 3M are eligible for all base coverage. If they do not meet one of the occupational classes listed, they will need to utilize both base and SIS benefits to maximize total monthly benefit available.

When looking up values in the table, move to the next lower Annual Earned Income value. (Example: \$42,500 of earned income would use the \$41,000 table values.)

\*Adjust Group benefit amount to 70% of the monthly benefit to determine eligible amount.

## Coordination with Group Disability

In order to determine the approximate buy-up benefit amount that can be offered to clients with group disability income, use the value in the Income Qualification Table based on whether the buy-up benefit is Employer Pay or Individual Pay. The Social Insurance Supplement (SIS) rider is not available when coordinating with group coverage.. If the buy-up benefit amount is Employer Pay, subtract the Group Disability amount from the value. If the buy-up benefit amount is Individual Pay, subtract 70% of the Group Disability amount from the value.

### Example – If applying for Individual Pay DI with existing Employer-Paid Group:

1. Use the Individual Pay Group Supplement limits table to determine the maximum benefit available based on the client’s earned income.
2. Multiply the existing Group benefit by .7 and subtract from the answer above.

Income	\$80,000/yr.
Existing Employer Paid Group	\$1,000/mo.

Look-Up on the IQT for \$80,000/yr. – Eligible for \$4,600/mo. Benefit

1. Individual Pay Benefits – \$80k/yr.	\$4,600
2. 70% of Existing Group- \$1k/mo.	\$700

---

<b>Eligible Income Tax-Free Benefit</b>	<b>\$3,900</b>
---	----------------

### Example – If applying for Employer-Paid DI with existing Employer-Paid Group:

1. Use the Employer Pay issue limits table to determine the maximum benefit available based on the client’s earned income.
2. Take the existing Employer-Paid Group benefit and subtract from the answer above.

Income	\$80,000/yr.
Existing Group	\$1,000/mo.

Look-Up on the IQT for \$80,000/yr. – Eligible for \$5,800/mo. Benefit

1. Individual Pay Benefits – \$80k/yr.	\$5,800
2. Existing Group – \$1k/mo.	\$1,000

---

<b>Eligible Income Taxable Benefit</b>	<b>\$4,800</b>

## State Disability Insurance (SDI)

There are certain states that provide residents benefits as part of a state-funded program. States include California, Hawaii, New Jersey, New York, Rhode Island and Puerto Rico.

- In California, New Jersey, Rhode Island, Hawaii when an applicant has State Disability Insurance coverage, a minimum 90-elimination period will be required on benefit periods of 2-year, 5-year, 10-year, To-Age 65, To-Age 67 and To-Age 70
- The applicant will be able to apply for their total maximum monthly benefit amount available per income and group/individual coverage inforce

When an applicant has State Disability Insurance coverage (CA, NJ, RI, HI), a minimum 90-elimination period will be required on benefit period of six-month and one-year. We will reduce the maximum monthly benefit offer amount based on state disability benefits offered

- For example, if we normally could offer \$5,000 monthly benefit based on Income Qualification Table and State Disability benefits offered is \$1,000 per month, we will offer the applicant a monthly benefit of \$4,000

If a w-2 applicant denies they are eligible for state disability, a pay stub or w-2 will be required for verification.

## Issue and Participation Limits

# Occupational Underwriting Guidelines

---

These occupational guidelines are designed to assist in the proper occupational classification of applicants for disability income insurance.

The classifications are based on factors such as:

- degree of education, training, and skill demanded by the occupation
- level of manual dexterity and physical effort required
- environmental hazards to health and safety present in the workplace
- employment stability
- economic factors specific to the occupation/industry, and
- past company claims experience

Some occupations may not be listed in the Occupational Manual. In these cases, please refer to the General Description of Occupational Classes. Please send prescreens to underwriting at [underwriter.health@mutualofomaha.com](mailto:underwriter.health@mutualofomaha.com).

It is important that applicants be classified accurately according to these guidelines since occupational class determines the premium rate and the amount of coverage that is available. Each applicant's specific duties must be accurately described, as well as the percentage of time each of the duties is performed. This information, more frequently than the job title, will be the basis for an occupational classification. The occupational classes contained in the manual are guidelines only and Underwriting reserves the right to adjust these classifications if specific job duties or circumstances suggest such action.

## **General Description of Occupational Classes**

**Class 6A |** This class includes the most stable executive and professional occupations where work is performed in an office setting with no environmental hazards, no direct supervision of persons with manual responsibilities and minimal travel.

**Class 5A |** This class includes executive and professional occupations where work is performed in an office setting with no environmental hazards, no direct supervision of persons with manual responsibilities and minimal travel.

**Class 4A |** This class includes other executive and professional occupations where most work is performed in an office setting with minimal environmental hazards and limited direct supervision of persons with manual responsibilities.

**Class 3A |** This class includes a variety of managerial, professional, and technical occupations. The majority of work is performed in a setting with minimal environmental hazards.

**Class 2A |** This class includes occupations that require more movement and travel or more manual dexterity or light physical effort. Some environmental hazards may be present in the work setting.

**Class 1A |** This class includes occupations with a greater emphasis on moderate to heavy physical labor and more direct exposure to workplace hazards.

### **Medical Occupation Classes**

**Class 5M |** This class includes medical professionals who do not perform surgery or interventional procedures.

**Class 4M |** This class includes medical professionals who do perform surgery or interventional procedures.

**Class 3M |** This class includes most physicians with higher-risk practices.

**Class 2M |** This class includes health care providers performing more strenuous manual duties.

**Class N |** This class includes occupations that are uninsurable due to excessive exposure to workplace hazards.

### **Multiple Occupations**

In the event an applicant has more than one occupation, the occupational classification will be based on the occupation involving the greatest level of environmental hazards. Also, if occupations are different, the minimum number of hours required in one of the occupations is 30 hours per week.

## **Special Restrictions for Certain Types of Employees**

Some employees are eligible for disability income benefits through their employer. As a result, individual disability income benefits need to be carefully coordinated with these employers-sponsored plans before the policy is issued in order to avoid over insurance.

Below are some of the restrictions that will apply to these types of employees:

### **Railroad Employees**

- No coverage available.

### **Government Employees (Federal, County, State and Municipal)**

Eligible for:

- Issue Ages: 18 - 55
- Benefit periods of 1-year or less, coverage can issue the maximum base benefit allowed per the Applicant's income for all Occupational Classes, and
- Benefit periods of 2-years or more
- 6A, 5A, 4A, 3A, 5A, 4M, 3M - \$10k issue limit (all base benefits)
- 2A, 2M, 1A - \$5k issue limit (all base benefits)
- Benefit Period: All Benefit Periods
- Financial Statements required - payroll stubs
- Applicants are ineligible for the Social Insurance Supplement Rider or Future Insurability Option Rider, and
- Benefits applied for will be coordinated with other disability coverages currently in force
- Assume group long-term disability coverage which pays 60% of salary (federal, local and state employees).

### **In-Home Day Care Providers**

- A copy of last two years of taxes will be required to verify net income.

### **Persons covered under CALSTRS or CALPERS**

- No coverage available.

### **Business Owner – Newly Self-Employed**

Self-employed business owners who are in business less than 12 months but are engaged in the same occupation or line of work as previously employed (W-2) may be eligible for up to 50% of prior year W-2 income. They will be eligible for the following benefits:

- Maximum 5- and 10-year Benefit Period
- Maximum policy monthly benefit – \$5,000
- Prior year W-2 required

If engaged in a different occupation or line of work as previously employed (W-2), applicant needs to be self-employed for at least one year (financial required).

If you are going from a W-2 position to a 1099 position and you are doing the same job with the same employer, you may be eligible for up to 75% of their prior year W-2 income.

If you are going from a W-2 position to a 1099 position but have a copy of a contract that verifies the length of employment is at least one year, then we will treat you as a W-2 employee. If the contract does not state the client is reimbursed for any expenses or if they are paying their own expenses, we will reduce their salary by 25% to cover those expenses.

### **Business Owner – Purchase of Existing Business**

Self-employed business owners who have purchased an existing business in the last 12 months but were engaged in the same occupation previously as a W-2 employee may be eligible for up to 50% of prior year W-2 income. Coverage includes Accident Only Disability and Accident and Sickness. They will be eligible for the following benefits:

- Maximum 5- and 10-year Benefit Period
- Maximum policy monthly benefit – \$5,000
- Prior year W-2 required

### **Business Owner – Individual Home-Based Occupations**

Business owners and self-employed professionals working from home must conform to the eligibility requirements for self-employed individuals in the General Underwriting Guidelines.

Salaried (W2) employees and telecommuters working from home are normally eligible for disability income coverage.

## Completing the Application

---

### **Assisting Non-English Speaking Applicants**

If you and the applicant are not fluent in the same language, an interpreter must be present to translate all questions and responses.

- It is the applicant's responsibility to have an interpreter available to meet with you when the application is completed. The applicant may choose an interpreter, but the interpreter cannot be a family member, beneficiary or someone who would benefit from the issuance of a policy. You may serve as an interpreter if you and the applicant are fluent in the same language
- In addition to questions on the application and the applicant's responses, the interpreter is required to translate all comments you make as well as information contained in marketing materials and forms
- With the assistance of an interpreter, you should ask the applicant to e-sign the application and the Producer or Witness Certification form (MLU25947)
- Be sure to include a note with the application that a translator will be needed for the health interview and indicate what language

### **Appealing an Underwriting Decision**

Applications that are declined and policies that are rated or issued other than applied for are eligible for reconsideration through an appeal process. To ensure privacy, the specific reason for a policy being declined or rated/issued other than applied for is shared only with the applicant. If you want the ability to view or discuss this material, remember to have the Authorization for Release of Information to My Insurance Agent, Agency and/or Authorized Third Party Vendor form signed and sent in to Mutual of Omaha. After reviewing the letter with the applicant, please review the information in this guide for our handling of the applicant's condition(s). If the applicant disagrees with the specific reason given in the letter, he or she has the right to submit additional information. Here is how the appeal process works:

- A notice of appeal must be submitted in writing by the applicant and/or his or her physician within 60 days of receipt of the letter (some states vary slightly). Informal (verbal) appeals will be considered at the request of General Managers, District Sales Managers and Brokerage Managers

- A decision letter will be sent to the applicant within 60 days of receipt of the appeal information
- The 30-day period for review of the policy and billing notice of premium due are independent of the appeal process. Partner policies also are independent of the appeal process and should be delivered accordingly
- The application date will determine whether the original application can be used along with a Statement of Good Health or if a new application will be required
